UnKonventional Kölsch

Beer Style: Kölsch

Region of Origin: Western Germany

Malts:

- Admiral Pils
- Yolo Gold Wheat
- Pacific Victor (Vienna-style)

Hops:

- Willamette
- Saaz

UnKonventional Kölsch is a clean, refreshing beer with a slight malt sweetness and present bitterness. This beer is made exclusively with Admiral Malting malts and really highlights the Admiral Pils profile of honeysuckle and dry grass.

The aroma characteristics include slight dry grass, honeysuckle and subtle pear, with herbal hints and spiciness.

The flavor is balanced between a light honeysuckle sweetness from the malt with some herbal character and bitterness from the hops.
